1. What are the top three issues your community needs to address? How would you propose to tackle these issues?
2. Because of present economic realities, what changes do you propose to your Town's policies and regulations to adjust to the new economy?
3. Do you believe your Town should fund school capital costs, parks, roads, transit, police and fire protection needs for your Town? Should purchasers of new homes be responsible for funding these services for the entire Town? Do you believe that these types of proposals are a fair way to pay for required services to existing taxpayers?
4. How would you work to encourage quality economic growth while providing a variety of housing choices (both types and prices) within your Town?
5. Are your town's current building and development policies and rules keeping your Town competitive in our region? Please explain.
