Grady Thomas  
2010 SPPACE Chairman  
1201 Greenwood Cliff  
Suite 310  
Charlotte, NC 28204

Dear Mr. Thomas:

I have served eight terms as a legislator and am presently Deputy President Pro Tempore of the NC Senate. As a legislator, I am committed to serving the best interests of the constituents of my district and the citizens of this state. In doing so, **I must view every issue from all sides.** Consequently, I stopped completing questionnaires years ago. Each tends to limit my response in certain situations rendering me unable to make appropriate decisions for changing conditions that occur in the unknown future and ultimately adversely affect the well-being of this state.

Additionally, my record as to where I stand presently, on various issues, is available to the public on the Internet. Please share this information with your members.

Sincerely,

Charlie S. Dannelly
